

RAEGAN STEIN

(563)320-3462 | Raegs2002@icloud.com | RSteinDesigns.com

PROFESSIONAL SUMMARY

Design professional with experience creating CAD models, space planning, product development, and digital content for the commercial furniture industry. Strong background in CET, AutoCAD, 3Ds Max, Adobe Creative Suite, and technical problem solving, with the ability to quickly learn new software and manage multiple projects. Detail oriented and committed to producing accurate, high quality work.

WORK EXPERIENCE

HNI WORKPLACE FURNISHINGS, Muscatine, IA *Design Development Specialist* | June 2025 - Present

- **Design Integration:** Lead user acceptance testing for product configurator projects by validating product specifications, writing Jira bugs and epics, and working with Product Marketing and AI teams to ensure a consistent user experience across platforms.
- **Project Management:** Coordinate showroom projects from planning through installation by tracking budgets, timelines, and product information while maintaining documentation and communicating project updates across teams.
- **HBF Marketing:** Create and maintain digital marketing assets, presentations, website content, renderings, and material imagery to support product launches and electronic customer resources, achieving 60%+ email open rates.
- **HBF Product Development:** Support furniture and textile development through material selection, color development, competitor research, and collaboration with designers and mill partners to develop new product solutions.

Interior Design Intern | May 2024 - June 2025

- Produced design packages and specified over \$3M in furniture for dealer projects from programming through installation.
- Developed detailed CET models from CAD drawings, site measurements, and floor plans while designing a 65+ person floorplate at HON headquarters to communicate design solutions and support installation.

WALT DISNEY WORLD, Lake Buena Vista, FL *Guest Experience Intern* | June 2022 - January 2023

- Delivered high-volume guest service in one of the busiest Starbucks locations globally while maintaining accuracy, efficiency, and effective communication under pressure.
- Balanced full-time work with full-time academics, demonstrating strong time management, communication, and the ability to prioritize multiple responsibilities.

SOFTWARE

- Photoshop
- InDesign
- Illustrator
- Lightroom
- 3Ds Max
- AutoCAD
- CET Configuria
- Microsoft Office Suite
- Autodesk Fusion
- Jira

TECHNICAL SKILLS

- CAD Drafting
- Rendering
- Design Presentations
- 3D Visualization
- Space Planning
- Materials & Finishes (CMF)
- 3D Modeling

CREATIVE SKILLS

- Concept Development
- Trend & Market Research
- Creative Problem Solving
- Concept Development & Ideation
- Prototyping
- Fabrication (Woodworking and 3D print)

EDUCATION

UNIVERSITY OF FLORIDA
MS, Architectural Studies
Expected December 2027

UNIVERSITY OF IOWA
BFA, 3D Design | GPA: 3.82/4
Minor, Business Administration

- Student Org. President
- Phi Beta Kappa Honor Society
